

HMMWV Rear Bumper Kit

Ibis Tek's HMMWV Accessories

Ibis Tek can supply the accessories to allow you to modify a HMMWV equipped with or without an existing bumper to accept our Patented Mechanically Assisted Spare Tire Carrier (MASTC) and Jerry Can Holder (JCH). Both Systems rotate out of way of the back of the vehicle to access to the rear compartment :

- ***Spare Tire Carrier allows one person to easily change the tire***
- ***Allows the flat tire to easily be mounted on the carrier and secured into position***
- ***Bumper assembly kit allows those HMMWV's without bumpers to easily add MASTC & JCH***
- ***Retains existing tie down hooks, electrical connector and trailer hitch***
- ***Will not interfere with towing a trailer***
- ***All parts are powder coated to prevent corrosion***
